

	Membrane Switches, Keypads, Plastic, Rubber & Metal Materials.
	Our precision measurement systems set the industry benchmark for current, voltage and temperature measurement in cars and trucks, hybrid and electric vehicles, as well as in renewable energy generating systems
	Frequency Control products, Electrocomponents, Tusonix, RF Ceramic filters
	CUI DEVICES DC Power jacks & plugs, DC Axial Fans, rotary Encoders, Capacitive programmable encoders, Audio Components: Speakers, Buzzers, Microphones, audio jacks & plugs, MEMS, Peltiers
	<i>Formerly Cooper Bussmann</i> - Magnetics, power inductors, Fuses, TVS Diodes, PTC devices, PolySurg ESD Suppressors, Supercaps, PCB connectors & Terminal blocks
	Telescoping Solid and Ball Bearing Slides, Ball Bearing Slides, Solid Bearing Slides, Bottom Mount Slides, Steel Cabinet and Rack Mount Accessories
	Insulating materials Thermoplastic & Thermoset composite materials, Flexible laminates, Standoff Insulators, rubbers
	YAGEO Corporation is a leading global electronic component company, currently ranks as the world No.1 in chip-resistors, No.1 in tantalum capacitor, No. 3 in MLCCs, with strong global presence
	Capacitors, EMC, Inductors, Sensors, Piezo Devices, Relays & Varistors
	EMI/RFI Shielding materials: Gap Fillers / Thermal Interface Materials, Microwave Absorbers, Conductive Elastomers, BeCu finger gaskets, etc. Magnetic Ceramic Products: inductors, ferrites.
	Bipolar transistors, Diodes, ESD protection, TVS, signal conditioning, MOSFETs, GaN FETs, Analog & Logic IC's

	Schroff cabinets, systems - ATCA, uTCA, VME, VPX, Compact PCI Calmark Birtcher wedge loks & CCA's Cases, Interscale M, subracks & chassis, front panels, accessories, Pigeon Point hardware platform management products
	Connectors for reliable transmission of signal, data, and Power as well as modular electronic housings
	Power & Hybrid, D-Sub, Rectangular and Circular High-Rel connectors. Custom, Military, Space rated, Blind Mate, Press-Fit, Hot Swap, IP65 / IP67 Waterproof, M24308 series and custom cable assemblies
	EMI / RFI Filters and chokes, feedthrough capacitors and locking power cords
	AIRPAX: Magnetic hydraulic circuit breakers, BiMetal thermostats
	Custom Keyboards, Backlit Illuminated Keyboards, Medical Keyboards, Gaming Keyboards using MX Switches, Industrial Control Panels. Rubber, Pointing Devices, Programmable keys, Magstripe readers.
	AC/DC converters and power modules DC/DC Isolated Regulated and Fixed Ratio DC/DC Non-Isolated Regulated and Fixed Ratio AC/DC and DC/DC Power Systems and Filters Semi Custom or Full Custom Power solutions
	Heat Sinks - Extrusions, Cold Plates, Heat Pipes, Bonded Fin, Liquid Cooling, Clamping Accessories, Zipper Fin
	Industrial-Grade Single Board Computers, Industrial Computer Systems, Panel PCs and I/O Expansion cards
	MOVs, Thermal fuse & Multilayer Varistors, Gas Discharge Tubes, TVS Diodes, Nexem Relays, XY Film Caps, Antennas & Wireless, Flexible laminated Bus Bars
	Battery Solutions using the latest battery technology for rechargeable and non-rechargeable
	innovative fastening solutions specifically developed to enable your designs and to make your products lighter, stronger, faster, safer, higher-value, and longer-lived
