

# Fast DMS

## COMPLETE PROCUREMENT

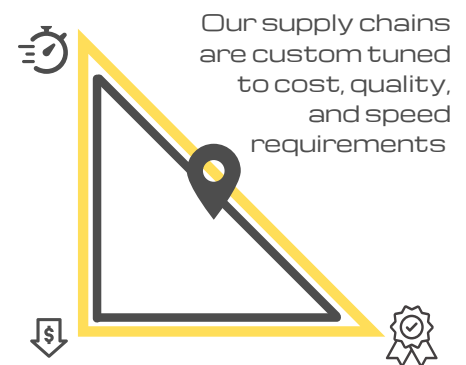

500,000+ PARTS DELIVERED SINCE 2016

## QUALITY

Peer reviewed Quality Management System  
Suppliers with NADCAP, ISO 9001:2008, AS9100:2009 Rev C  
NIST traceable inspection equipment  
Photo documentation  
Professional packaging and delivery record management

## CAPABILITIES

- Subtractive: cnc mill, lathe, EDM, grinding, manual tools
- Additive: 3D printing SLS, FDM, MJF, SLA, DLS
- NNS: injection molding, die casting
- Forming: extrusions, forging, tube bending, stamping
- Routing: mill, laser, waterjet, nc plasma
- Fabrication: welding, coping, punching, heat treat
- Electronics: PCB, PCBA, wire harnesses
- Inspection: geometric, physical, chemical, optical
- Assembly
- Engineering
- Logistics: importing, trucking, courier, scrapping

Our company focus is to provide professional contract manufacturing services with *unprecedented* speed and convenience.
