

## Experts in Construction Specialties

BUILDING TRUST WITH QUALITY WORK

### ▶ Who We Are

Here at **El Paso Automated**, we specialize in products from **Divisions 10, 11, and 12**, and we work with a variety of manufacturers to ensure everything you need for your project is priced at a competitive rate while focusing on the quality commitment needed to finish the project correctly and on time.

### ▶ What We Do

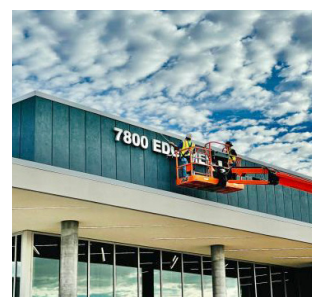

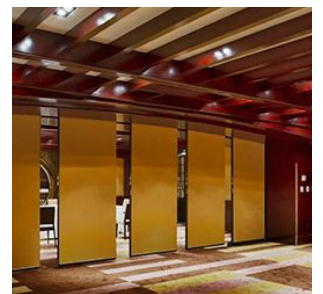

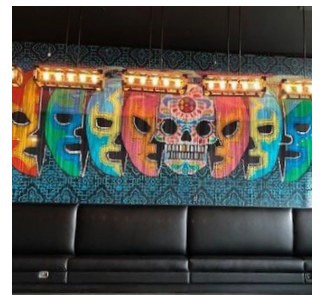

Our commercial projects include both **new construction** and **repairs/restorations**. Occupied and fully operational job sites are never a problem. And we can also **plan, manage, and build multi-phase jobs**.

### ▶ Working Together

We offer an end-to-end client experience that includes **seamless communication, budgeting, staffing, on-site organization, and solid, quality handiwork** every time.

### ▶ Why Choose Us?

We work with architects and designers to produce beautiful, functional structures that transform their environment.

**CALL US TODAY AND BRING OUR PROJECT MANAGEMENT SKILLS TO YOUR NEXT PROJECT**

- **Our proficient team consists of professional estimators and project coordinators.**
  - **Our estimators** will complete a thorough takeoff and give you a competitive quote. We can also help you with your design and make suggestions when you need it.
  - **Our project coordinators** will organize your submittals and material deliveries, ensuring your products reach your project in an accurate and timely manner.
- We are here to help you and your projects grow. We've proudly worked on projects across the United States and Mexico.
- We have successfully finished projects for numerous companies and institutions. These projects have demonstrated the talent, skill, and diligence that we bring to every one of our customers.
- El Paso Automated makes sure that each project receives our full attention. We assure that you will receive the best service that we have been providing since the start of this company.

Spotlight Product to Right: The Hänel Lean-Lift® Vertical Lift Module
