

HILLENBRAND

Company Overview

Headquartered in Batesville, Ind., Hillenbrand is a global diversified industrial company that makes and sells premium business-to-business products and services for a wide variety of industries. We pursue profitable growth and meaningful dividends for our shareholders by leveraging our leading brands, robust cash generation capabilities, and strong core competencies.

For more than a century, the Hillenbrand name has represented a family tradition of excellence that extends to our customers, our employees and our investors. We focus on a few simple core principles to achieve our goals: creating innovative products of superior quality, providing excellent service, forging enduring customer relationships, treating our employees with fairness and respect, and relentlessly pursuing continuous improvement.

Hillenbrand's portfolio includes industrial businesses such as **Coperion**, **Rotex**, **DME**, **Milacron Injection Molding & Extrusion**, and **Mold-Masters**, in addition to **Batesville**, a recognized leader in the death care industry in North America. Hillenbrand is publicly traded on the NYSE under "HI."
