SERVICES

As a recruiting firm, we can solve a wide range of hiring challenges. We provide our clients from dynamic VP's to detailed oriented supervisors.

DIRECT HIRE

Our world-class recruiting team specializes in delivering top talent

- We locate, contact, screen, and deliver professionals that fulfill your requirements.
- We charge a percentage of the annual compensation of the job.
- You pay after one of our candidates is selected and begins to work with you.
- We provide a replacement guarantee with no additional cost.

STAFFING

Hiring is expensive. Especially when you are accountable for the insurance, PTO, training, and onboarding. By using our temporary and contract staffing services, your company can bring people with the skills and experience you need to maintain the productivity and efficiency of a complete workforce, without inflating your overhead costs.

- A professional will be assigned to your location to assist in any specific project.
- The professional will be our employee and will receive all the benefits.
- We charge a markup fee of the hourly salary of the position.
