

STRATEGIC SOLUTIONS
FOR THE
AVIATION
AFTERMARKET

CAPABILITIES STATEMENT

As a leading global supplier of military aviation products and support, AvAir works closely with domestic and foreign armed forces, governments, and original equipment manufacturers (OEMs).

We provide an unmatched inventory of parts as well as strategic solutions for fixed-wing and rotary-wing aircraft. And, we pride ourselves on the best-price guarantee that we offer to our customers around the globe.

Founded in 2000, AvAir offers an unmatched parts inventory, strategic asset management and support solutions.

OUR SOLUTIONS

FULL COMPONENT SUPPORT

We stock a continually expanding inventory of over 26 million rotatable and consumable components to ensure we can provide rapid deliverability of any part you need.

REPAIR MANAGEMENT

Our worldwide network of repair station partners will allow you to get the fastest turnaround, with the best quality, on all your parts repair needs.

ASSET MANAGEMENT

We help you get the most from your aviation investments through our Asset Management Program. As a trusted industry leader, we collaborate with our contacts worldwide to monetize your assets.
