

A Journey of Quality and Growth Since 1992

Express Tres Fronteras is a company that since 1992 is dedicated to the Transportation of Federal Freight, specialized in FTL, import and export for the automotive industry with the main office in Ciudad Juarez, Chihuahua, ETF has 9 branches in Mexico and 2 more in the United States. Its purpose is to provide a transport service based on quality, continuous improvement and meet customer requirements, always with an excellent service in a timely manner.

Express Tres Fronteras was founded in 1992 by Manuel Andazola Gonzalez in Ciudad Juarez, Chihuahua, the name of the company obeys the goal set from the beginning, "the vision was to have operation by the three most important borders of Mexico: Nogales, Sonora., Ciudad Juarez, Chihuahua and Nuevo Laredo".

With a strong focus on growth, Express Tres Fronteras has increased its vehicle fleet significantly in recent years, derived to its area of influence and market demands.

Commitment to quality and customer needs.

About Us

Delivering Excellence in Transport Services

Express Tres Fronteras works with the main logistics companies in the world: Penske, Ryder, Protrans, RXO Logistics, for which it has the required certifications in both Mexico and the United States.

We are committed to provide personalized attention and offering our customers first- class logistics. Our standard transport logistics services include land, air and rail transport. We handle U.S. domestic traffic as well as international freight shipping.
