Business Sectors

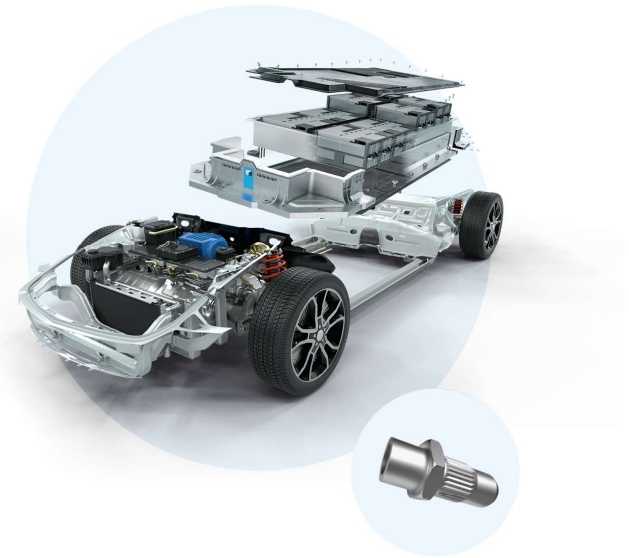

Fastening Solutions

Innovative fasteners
to fasten metals and plastics

Fastening Systems

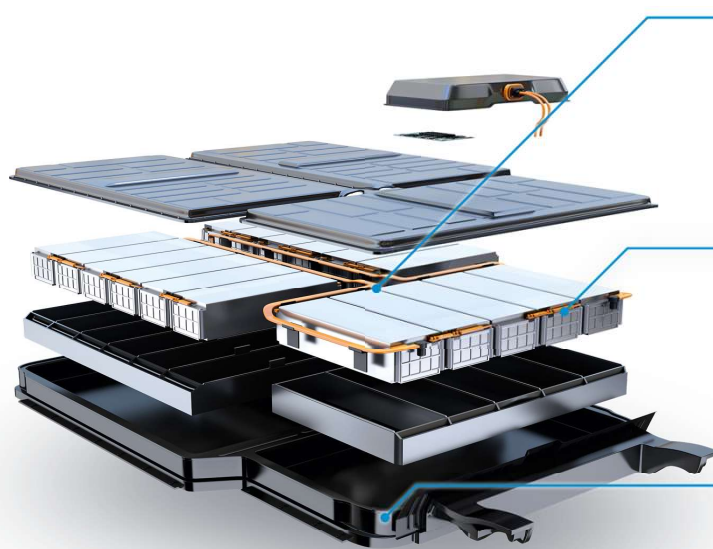

Fastening systems
consisting of systems technology plus
the appropriate fastener elements

Functional Components

Functional components
Cold-formed multi-function parts produce
individually to customer specifications

Fastening Solutions

Direct screw fastening into metals

Thread tapping screws

Powertite[®] · TAPTITE 2000[®] · Sheetite[®] · TriPress[®] Plus · Trailsec[®]

Direct screw fastening into plastics

Direct screw fastening of plastic

REMFORM[®] II HST[™] · REMFORM[®] · TriPress[®] Plus

Customer-specific metric fasteners

Product and process reliability attributes

MAThread[®] · LocTec[®] · ThreadLoc[®] · POWERLOK[®] II[™] · CapTec[®] · Alufast[®]

Fastening Systems

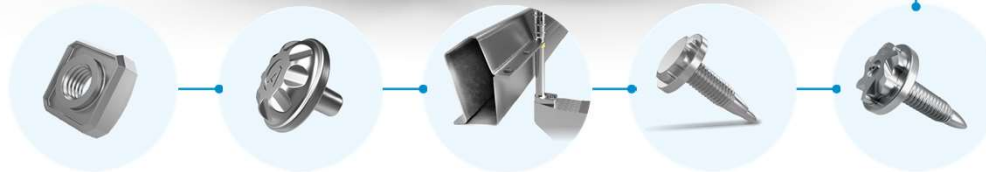

System Technology

Feeder technology
Feedtec
Processing technology
Tooltec
Control technology
Controltec

Fastener Elements

Flow-hole forming fasteners
Flowform[®]
Press-fit / punch fastener elements
PIAS[®] · Rivtex[®] · Strux[®] · TriPress[®] · Rivform[®]
Welded fastener elements
Flexweld[®] · Flowweld[®]
Inserts
Eco-Sert[®]

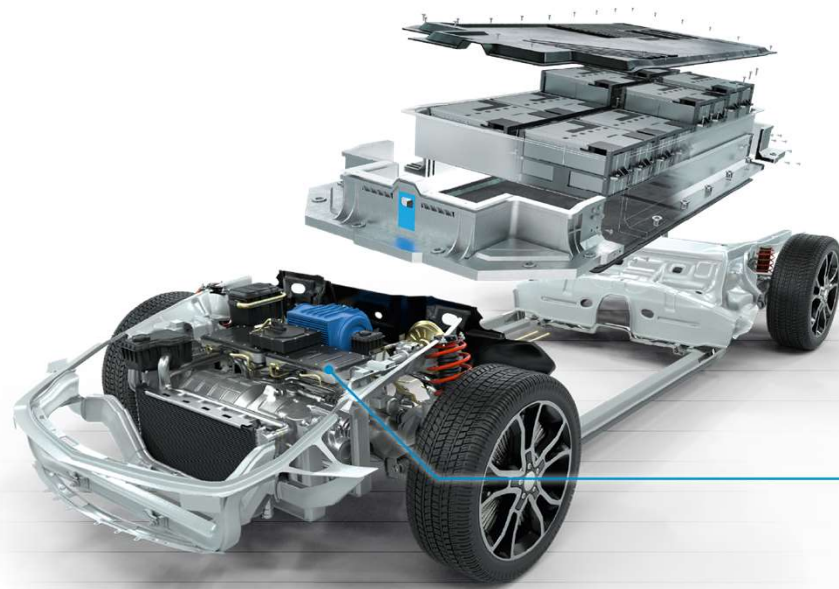

Assembly

Sheet-metal
Individual modules
Plastics

Functional Components

Functional Components

Multi-functional components (sleeves / precision and hollow parts)
Conform[®] · Conform[®] Plus · Conform[®] Next · Conform[®] Alu · Conform[®] Copper

Services

✕ Fastening Academy

Webinars, customer and in-house seminars

✕ On-Site Services

International Customer Service, International Application Engineers, Ramp Up Service, Mobile Testing Service

✕ Engineering Services

Fast Designer, Fast Creator, Fastener Testing Center, Fastener Express, ARNOLD TV

✕ Production Services

Cleancon[®], Assembly, 3D Printing, Sortec[®], Direct packaging (CO₂ optimized packaging)

Already today we are developing innovative fastening solutions for ...

ADIENT AUDI BMW BOSCH CONTINENTAL EBM DEUTSCHEACCUMOTIVE FAW
FORD GM HELLA HYUNDAI KSPGAUTOMOTIVE LEAR LEONI MAGNA MAHLE
MANN+HUMMEL MERCEDES-BENZ NIO SAMSUNG SIEMENS VALEO VOLKSWAGEN
WABCO STIHL ZFGROUP ZIEHLABEGG

... and many more.

Our **innovative solutions** for lightweight construction and electric mobility are **leading the way** in the changes taking place within the automotive industry.

Thank you
for your attention!
**We are happy to
answer your questions.**
