

RIG

Logistics Inc.

What does Rig offer you?

By: Angel Diaz de Leon.

Company Overview

Rig Logistics is an asset-based company for Reefer and Dry loads on our own 53' trailers

Our fleet consists of approx. 1000 trailers (dry van/reefer mix) and approx. 500 trucks. Trucks are all 2020 and above models. Trailers are all 2018 and above.

24/7 live tracking/update capabilities, we have around the clock personal available for immediate recovery plans/live updates/shipment concerns.

We offer both single and team driver services.

Terminals: Calgary (HQ), Edmonton, Mississauga, Winnipeg, Laredo, and tie ups in BC/QC.

Organization structure

- 1 owner
- 5 Directors (Safety, Sales, Operations, Maintenance, Finance)
- 6 Manager (Calgary, Edmonton, Winnipeg, Toronto Laredo and Mexico)
- Dispatch/Tracking/Maintenance/Billing team
- We have 100+ employees as a part of our Rig team.
- At Rig Logistics we believe in prioritizing following policy/procedure and as a result it helps us provide the most optimal service to you by adhering to your SOP's.

Tracking software

Omnitracs: We are an ELD regulated fleet, all drivers are required to use E-logs in Canada and USA.

ThermoKing: Provides live temperature/gps tracking, fuel gauge, and powering on/off capabilities.

Truckmate (TMW): provides overview of all running loads and allows us to see if all shipments are running on time or if recovery plans are required.

Rig is EDI compatible; we also work with Project44, Four Kites.
