

Bazz Houston International

MANUFACTURING SOLUTIONS

Mission Statement

We are an innovative metal-forming contract manufacturer providing our strategic partners a competitive advantage to win.

Our success is driven by a highly skilled and dedicated team in a thriving atmosphere of excellence with opportunities for growth.

Why BHI?

Strategic partner giving our customers the competitive advantage to win.

Strategic partner providing the best QCDF (Quality, Cost, Delivery, Flexibility)

Strategic partner providing the best QVE (Quality Value Engineering).

Spring Coiling

.004" to .250" in diameter
.002" thick to 48" flat strip

Stampings

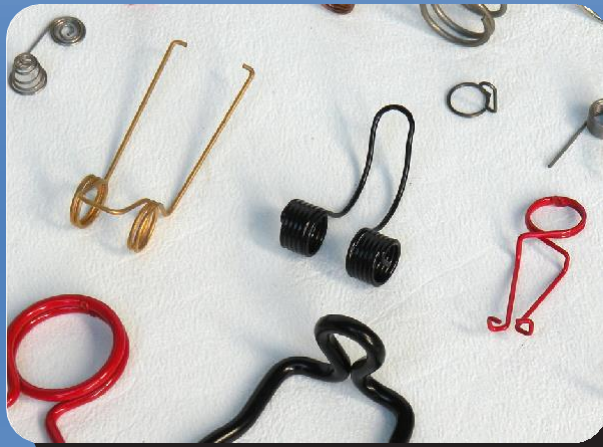

A wide variety of presses
from 16 - 330 tons

Material thickness from
.004" to .250"

CNC Wire Forming

.012" to .090" in diameter
.012" thick to .060" strip

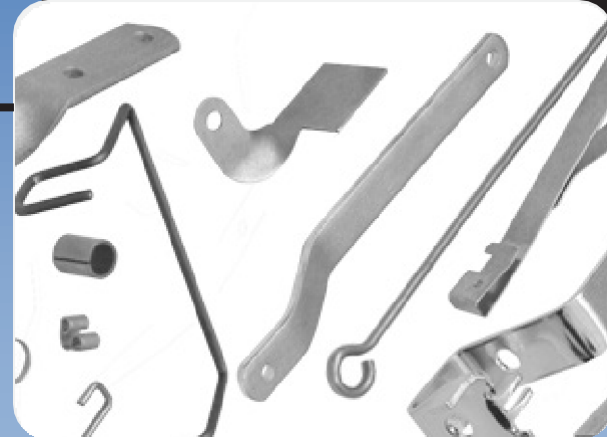

Metal Fabrication

- Laser and Turret Presses
- MIG, TIG & Spot Welding
- Grinding & Finishing
- Hardware Insertion
- Value Added Assembly
- Paint & Silk Screen Services
- Final Packaging

Four-slide

.004" to .125" in diameter
.002" thick to .375" strip
material thickness.

Wide range of equipment from
S00 to S5 and S0F to S4F

Services Include

- DFM
- Reverse Engineering
- In House Tooling
- Prototyping
- Assembly

Markets Served

AEROSPACE

AUTOMOTIVE

IRRIGATION

LIGHTING
