

The logo features a large, stylized letter 'Q' on the left. The 'Q' is filled with a black and white carbon fiber weave pattern. A blue arc curves around the top and left side of the 'Q'. To the right of the 'Q', the word 'Quintum' is written in a large, black, sans-serif font. Below 'Quintum', the words 'CARBON FIBER' are written in a smaller, blue, all-caps, sans-serif font.

We are a Mexican company specialized in the distribution of composite materials with eight years of presence in the Mexican and Latin American industry. Our main markets are:

Aerospace & Defense

Wind turbines

Automotive

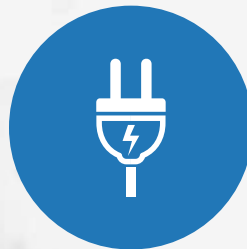

Civil engineering - Pipeline

Marine

Sport

Electric & electronic

Adhesives

Beside being distributors, Quintum also gives advice to companies to apply the composite materials in their manufacturing processes. Knowing the needs and requirements of our customers, we are able to provide the best service and on-time deliveries helping to reduce inventory costs.

We focus on the certification and high quality of our products. Day by day, our effort goes to the development of innovative products for our customers, offering a complete solution: providing products and trends, on time delivery service, technology and market information in cooperation with our valued customers.
