About us

- ▶ Romindustrial Inc. is a specialist in producing labels for direct materials, such as Velvet/Lexan, Kimdura, Polyester, paper, and direct thermal. Authorized distributor for ARMOR and DNP ribbons.

- ▶ We began operations since 1999 in our headquarters on El Paso TX and Cd. Juárez, Chihuahua with 20 years of experience in the maquiladora industry.

Mission

Become a national and international enterprise providing products of great quality and an excellent client service continuously improving our marketing strategies of labels, ribbons, and industrial products, achieving more strength in the market.
To be a socially responsible company in every aspect.

Vision

Become a leader company in the industry, in the area of labels, ribbons, and industrial products, with a vision of annual growth of 25% during 2021/2025 utilizing well-planned strategies.

Quality Policy

- ▶ Rom Industrial compromises our customer's satisfaction exciding their expectations through quality management and the continuous improvement of our processes through the integral development of our people.

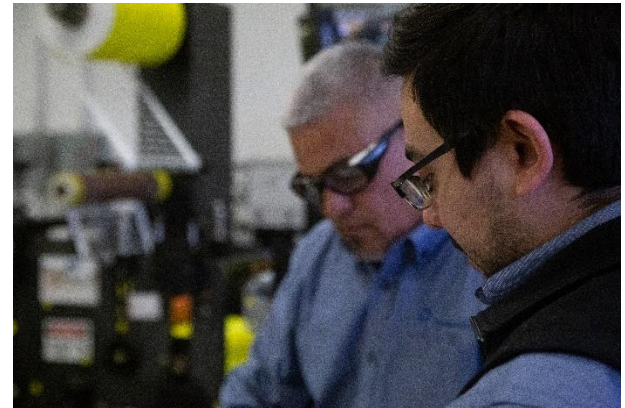

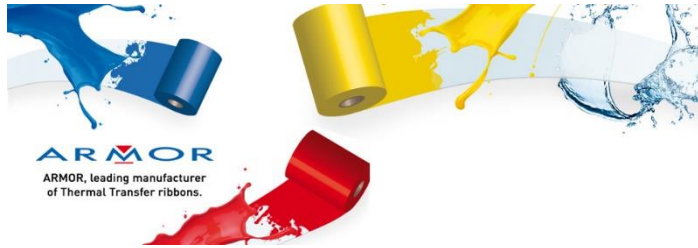

Values

Be a manufacturer and distributor of labels and ribbon of great quality through:

- The customer comes first.
- Spirit of service.
- Teamwork.
- Develop profitable new business.
- Quality control administration.
- Be a company with an identity.
- Business ethics.
- Respect.
- Quality service.
