ABOUT US

“ENJOY THE BENEFITS THAT THE C.A.T. EXPERIENCE HAS TO OFFER.”

CAT.CA

C.A.T. North America, founded in 1978, is a premier trucking company servicing all of North America with its nine divisions and over 26 terminals. Our transportation solutions cover a broad range of needs, including intra-Canada, US-Canada cross-border, US domestic, Mexico North and Southbound. With a fleet of 1875 power units and 4300 trailers, as well as a vast network of over 10,000 logistics partners, C.A.T. North America offers customized transportation services tailored to meet the unique needs of each customer. Our commitment to service, safety, innovation, and sustainability has earned us recognition as a best fleet to drive for in 2023 and a best-managed company for seven consecutive years.

OUR SERVICES

OUR VALUES

The values that define our brand and guide our decisions as a team.

**RESPECT | INNOVATIVE | UNITED | RESPONSIBLE |
CUSTOMER FOCUSED | ENVIRONMENTALLY CONSCIOUS**

Our company offers a range of specialized logistics services through our nine divisions, each supporting one or multiple services as described below.

Cross Border

With over 40 years of experience, we leverage our experience to seamlessly move your freight across Canada, the USA, and Mexico.

Brokerage

With a network of over 20,000 + partners, C.A.T. Global can provide efficient and cost-effective multimodal solutions across North America.

Intermodal

Providing CAT clients safe and secure, eco friendly, sustainable door to door rail solutions to meet their capacity needs.

Domestic

C.A.T. is a leading provider of transportation solutions with an extensive fleet and strategically located terminals along major routes in Canada and the United States. Our services cater to a diverse range of industries and we specialize in truck-load shipments coast-to-coast in either Canada or the United States.

Dedicated

Our flexible and uniquely tailored services allow our customers to enjoy all the benefits of operating a private fleet without the hassle of managing one.

Warehousing

Fully secured storage solutions, which include inventory management and fulfillment services, help our customers create efficient distribution networks.

DIVISION

- **Founded in 1978, C.A.T. has been a pioneering force in the transportation industry for over four decades.**
- **With an average truck age of just 4 years and an average trailer age of 4 years, we boast a modern and reliable fleet of 400 trucks and 1200 trailers.**
- **Our team of 300 dedicated drivers and owner-operators is committed to excellence, bringing years of experience to the table.**
- **We take pride in our customer-centric approach, tailoring supply chain solutions to your unique needs. Your success is our mission.**
- **At C.A.T., passion runs deep. Our enthusiastic team's dedication is reflected in our services, making us one of Canada's Best Managed Companies.**
- **Innovation is in our DNA. As industry leaders, we constantly push the boundaries, setting new standards in service, technology, and environmental stewardship.**
