

## OUR SERVICES

Connecting borders

### IMPORT AND EXPORT

We offer international freight services to transport your goods safely and efficiently to key areas in the U.S., Mexico, and Canada, complying with all current regulations.

### DOOR-TO-DOOR

From pickup to delivery, we offer door-to-door services that cater to your unique requirements.

### HAZMAT

Our specialized Hazmat freight service ensures full compliance with regulations and safety measures for the secure handling of hazardous materials.

### OVER-DIMENSIONAL AND HEAVY-HAUL

We guide your heavy-haul to its final destination with our specialized team, ensuring proper planning, regulatory compliance and permits for transporting loads up to 280,000 lb safely and efficiently.

### CROSS DOCK

Optimize your logistics with our transloading service, reducing storage time and ensuring fast and precise distribution to keep your operations running smoothly.
