# INTRODUCTION

## WHO WE ARE

Tri-National, Inc. is a premier USMCA transportation and logistics provider with door to door delivery services spanning from Mexico to Detroit and into Ontario, Canada, as well as milk run capabilities covering 400 miles of the Southern Texas-Mexico border.

Team TNi is highly regarded in the trucking industry for delivering the highest levels of safety, service and satisfaction to their professional drivers as well as to the customers they serve.

Tri-National champions *Women in Trucking*, and has been recognized as a top company for *Women to Work in Transportation* for seven consecutive years.
