

WEBCO at a Glance

FACT SHEET

WEBCO Industries, Inc., manufactures high-quality carbon, stainless steel, and other high alloy specialty tubing products designed and produced to exacting industry and customer specifications. Founded in 1969 and still headquartered in Sand Springs, Oklahoma, WEBCO became a public company in 1994.

A principled company with ISO-9001, IATF 16949:2016, PED 2014/68/EU 7/2 Annex 1, Paragraph 4.3 and ISO-14001 certifications, WEBCO delivers high quality products on time and on spec. WEBCO's long-term strategy includes the pursuit of niche markets within the specialty tubing industry through the design and deployment of leading-edge manufacturing and information technology.

- ✔ Well over 1,000 employees dedicated to serving customers
- ✔ More than 2.0 million square feet of facility space
- ✔ More than 1,100 customers throughout North America
- ✔ Approximately 80% of the carbon raw material WEBCO uses is delivered via the inland waterway system

Industries

Power-Gen Tubing

- ✔ Nuclear MSR Tubing
- ✔ HRSG
- ✔ Geothermal
- ✔ Feed Water Heater
- ✔ Steam Surface Condenser

Oil & Gas Tubulars

- ✔ Upstream Oil & Gas
- ✔ Downstream Oil & Gas
- ✔ Steel Tube Umbilicals
- ✔ Bottom Hole Pump
- ✔ OCTG / Casing
- ✔ Instrumentation Tubing and Stainless Pipe

Automotive / Industrial Tubulars

- ✔ Automotive / Truck
- ✔ Agricultural Machinery
- ✔ Race / Sports Car
- ✔ Fluid Power / Hydraulics
- ✔ Housings
- ✔ Machined Applications
- ✔ Directional Drilling

Process Tubing

- ✔ Chemical Processing
- ✔ Petrochemical
- ✔ Pulp and Paper
- ✔ Sugar Refining
- ✔ Water Processing
- ✔ Desalination

Tubing Applications

- ✔ Specialty Stainless Tubing
- ✔ Pressure Tubing
- ✔ Coiled Tubing
- ✔ Boiler Tubing
- ✔ Mechanical Tubing
- ✔ Heat Exchanger
- ✔ Air Cooler
- ✔ Air Heater
- ✔ Original Equipment Manufacturing (OEM)
- ✔ Welded Stainless Pipe
- ✔ Seam-Welded Umbilical Tubing

Value-Added Services

- ✔ Bending
- ✔ Custom Mill Lengths
- ✔ End Formed / Swaged
- ✔ Finning
- ✔ Heat Treating
- ✔ Packaging
- ✔ Precision Cutting
- ✔ Product Availability
- ✔ Responsiveness
