About us

Meet Factory Direct Partners, an employee-owned and operated innovator in educational, hospitality, and home furnishings. With decades of experience in nearshoring logistics, our US-based designers and engineers collaborate directly with our factory in Mexico for maximum productivity.

Our Vision

To synergize, cultivate, and manufacture high-quality furnishings efficiently. We strive to maintain expertise in cross-border opportunities and create assortment fluency across industries.

Our Mission

Our mission is to build durable products and relationships by putting our growth mindset to work for your business.

Our Strengths

Flexible:
Our fluency in product lines will propel your offering to the next level. Choose from our existing assortment or branch into new development. Our resources such as CAD Design, Engineering, and Prototyping are focused on innovation.

Dedicated:
We are experts in maquiladora manufacturing and logistics; let our team fine-tune your ideas in our state-of-the-art facility.

Proud:
Your success is our success - we stand behind 20+ years of quality production.

Our Team

The FDP team is our greatest resource. Highly skilled personnel and experienced professionals are committed to delivering results.
