Connecting Solutions

Mechanical

Die Cutting (Hydraulic, Rotary, Kiss-Cutting Full Beam)
Lamination, RF Sealing & Embossing Various Materials, Thicknesses, Shapes

Connectors for Charge-Air systems, Cooling & Water Systems, and Hybrid Resonator for Charge-Air Cooling Systems

Solid Metal Connectors for Compressed Air, Vacuum, Gases & Liquid Vasicline, Inoxline, Multineline, Liquidline & Tubing

Heat Shrinkable Tubing and Fabric. Automotive, Commercial, Military grade tubing for thin, medium, heavy wall in single or dual wall

Vinyl Tapes: Automotive & Commercial Cloth / Fleece Tapes & Mastics

Silicone Hose-Extruded and Formed & Mandrel Wrapped, Reinforced & Non-Reinforced, Injection & Compression Rubber Molding, Profile, Window Channel & Other Extruded Products

Expansion Joints, Tubular Exhaust Components, Custom Hose Assys, Stainless Tube Fabrication

Stamping, Lead Frames/Busbar, Insert Molded Assemblies, In Die Contact Welding
