

Makinovo offers High Precision CNC machined products to the world's leading industries:

- Aerospace
- Semiconductor
- Energy
- Medical
- Autonomous Systems

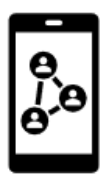

50+ CNC MACHINES

- 5 Axis Milling
- High speed Milling
- 3 Axis Vertical Milling
- CNC Lathe
- Swiss Type Lathe + Bar Feeder
- Wire and Sinker EDM

High Mix – Low Volume

Stocking Agreements
for contract machined parts

High Volume Production Runs
Swiss Type Lathe

JobBoss ERP System

Design engineering team
CNC machine programmers

Siemens Licensed products
Solid Edge CAD + NX CAM

Supply Chain: domestic and
international raw material &
tooling suppliers

Quality Assurance:
First Article Inspection (FAI)

Machined Parts Applications

- **Satellites:** Aluminum heat spreaders
- **Aircraft Interiors:** Machined components for overhead bins, seat assemblies, galleys and monuments
- **Electrical:** Stainless Steel connectors and valves
- **Retailer:** Mobile robotic distribution systems
- **Humanoids:** General purpose robots

STRATEGIC LOCATION CHIHUAHUA - MEXICO

Calle Luis G. Urbina #11546, Int. #3
Complejo Industrial Chihuahua
Chihuahua, Chihuahua, México, 31136
