Integrity | Accountability | Inclusion | Innovation | Teamwork

OUR VALUES

Do the right thing.
Take responsibility.
Be inclusive.
Innovate.
Win together.

INTEGRITY

We demand of ourselves, our partners and each other the highest standards of ethics and integrity. We are dedicated to diversity, fair treatment, mutual respect and trust.

ACCOUNTABILITY

We honor the commitments we make to our customers, shareholders and each other. We accept personal responsibility for our actions and results. We challenge each other to achieve excellence.

INCLUSION

We build teams, at all levels in TE, representing the global markets we serve. We value differing backgrounds, perspectives and opinions in driving business results. We are committed to the safety and wellbeing of our colleagues.

INNOVATION

We innovate, as the foundation of our business, to create value. We challenge ourselves to bring new innovations to life, and value entrepreneurial decision making, pace and openness to change.

TEAMWORK

We collaborate across boundaries at pace to win. We communicate transparently and practice leadership that inspires, empowers and develops our full potential to exceed stakeholder expectations.
