

MLS DIE-CASTING BU. production has bases in China and Mexico. Specializing in aluminum and zinc alloy die-casting, we serve industries like automotive, electronics, and machinery.

Our advanced facilities offer comprehensive services, including in-house mold design, precision die-casting, CNC machining, surface treatment, and assembly. We uphold the highest quality standards with ISO 9001 and IATF 16949 certifications.

With locations in both China and Mexico, we provide flexible logistics and reduced lead times for our global clients.

Mexico Factory:
Avenida Halcón No. 250, Parque Industrial Finsa Coahuila, Ramos Arizpe, CP 25904.

Foshan Factory:
NO.1-1 Industrial Road (North), Chancheng District, Foshan, Guangdong, P.R.China.

MADE IN
MEXICO

Example of product produced

Machinery & Electronics

Lighting Housing

Auto Parts & Motor Parts

High Pressure Die Cast Equipment

Die Cast Machines	
Tons	Installed
300,400,500	10
800	5
900	3
1250	2

Total of 20 DCM's (Other DCM lines are building in Mexico Factory)

Capacity	
Tons	Utilization
300,400,500	90%
800,900	80%
1250	50%

Post Machining Equipment

Item	QTY
5-axis CNC machine	2
4-axis CNC machine	30
Functional drilling machine	25
Vibration grinding machine	10
Vibrometer	1
Eco-friendly polishing machine	20
Spraying equipment	15
Electrostatic automatic spraying equipment	1
Sand blasting machine	5
Shot blasting machine	3
Ultrasonic cleaning line	2
Friction stir welding	2

Mold Workshop

Item	QTY
4-axis CNC machine	10
Milling machine	10
EDM	3
Wire cutting machine	8
ep hole drilling machine	6
Lathe	20

Capacity	
Lathe	20sets/month

Test Center Equipment

Item	QTY
Salt spray tester	1
2.5D CMM	1
CMM	1
Spectrometer	2
Color light box	1
Film thickness gauge	1
Colorimeter	1
Digital torque wrench	2
X-ray detector	1
Cleanliness tester	2
Hydrogen gauge	1
Roughness tester	1
Metallographic analyzer	1
Leakage detector	2
Gaugue for screw holes	2
