

## CUSTOMIZED AND SCALABLE Electronics Manufacturing Services

U.S.-based, ISO 13485-compliant production facilities.  
State-of-the-art manufacturing technology. Circular economy principles.

### A Seamless Solution

PRIDE Industries' Electronics Manufacturing Services (EMS) play an important role in the engineering, production, and distribution of electronics for a wide variety of industries. Our contract manufacturing allows original equipment manufacturers (OEMs) the ability to focus on growing their business.

For over 20 years, PRIDE Industries has been solving manufacturing challenges for a wide variety of markets with our expertise in design, production, testing, and distribution. Our dedicated program and account management team is driven to meet your project requirements and exceed your expectations.

We offer comprehensive manufacturing and product fulfillment solutions through vertical integration and a single-source supplier model. Our flexible and scalable packaging and assembly services are backed by award-winning capabilities in technology, quality and regulatory systems, supply chain management, and warehouse and logistics management, including dedicated project management support.

ISO 9001:2015 certified | ISO 13485:2016 certified

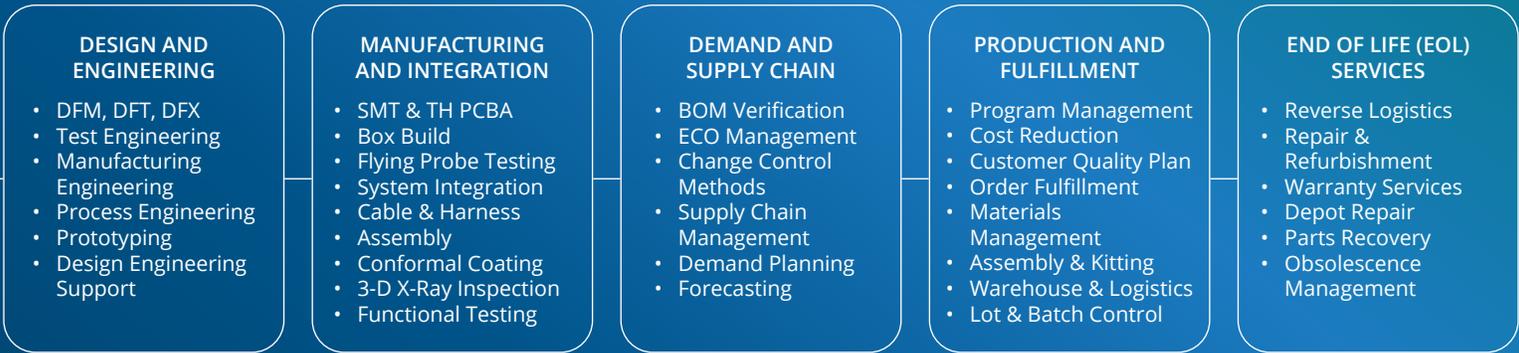

### MARKET SECTORS

- Medical Devices (Class 1 & 2)
- Medical Device Manufacturing License (CA Dept. of Public Health)
- Computing
- Aerospace
- Defense & Military
- Alternative Energy
- Robotics
- Automotive
- Consumer Electronics

### OUR TECHNOLOGY

- Juki State-of-the-Art Pick & Place
- Cyberoptics Inline Solder Paste Inspection
- AOI Systems Automated Optical Inspection
- Ekra Screen Printing
- BTU 10 Zone Reflow System
- Nordson Dage 3D X-Ray Inspection System
- Juki WS620 Flex Soldering
- Ace Kiss 102 Selective Solder System
- Digital Test Condor Flying Probe In-Circuit Tester

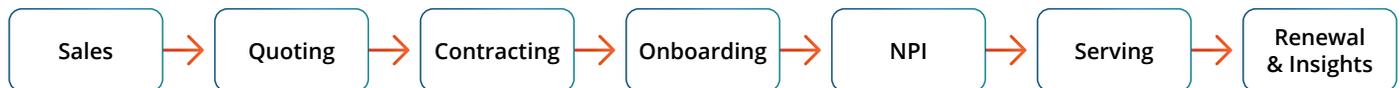

**YOUR SINGLE SOURCE FOR:**

**An Extension of Your Team**

When you work with PRIDE Industries, you don't just get a vendor, you get a collaborative partner, delivering timely solutions through consistent, accessible communication at all levels.

**CUSTOMER JOURNEY MAP**

**INFORMATION SECURITY MANAGEMENT**

PRIDE Industries implements and continuously reviews robust cybersecurity measures to ensure the safety of our customers' protected information.

*"PRIDE Industries has been a reliable business partner for us for over 10 years. The team at PRIDE remains in constant communication to ensure successful production of our materials, and they consistently deliver quality results. We trust PRIDE Industries and we look forward to continuing to work with them as our business grows."*

— Terri Ross, Game Ready® Supply Chain Manager

**Get a Social Marketing Edge Over Competitors**

As a social enterprise, we create employment for people with disabilities and other employment barriers. By partnering with us, companies boost their appeal to social impact investors, meet supplier diversity goals, and gain customer appreciation through our co-marketing programs.
