

Financing what comes next.

# Disciplined capital for real assets across the U.S. and Mexico.

Numancia Capital Partners provides tailored lending solutions for equipment, industrial real estate, and railcar assets—combining domestic reach, deep Mexico cross-border expertise, and relationship-driven execution.

## Equipment Finance

Flexible financing for new and used equipment across a wide range of industries. Competitive terms, fast approvals and custom structures designed for your business.

## Industrial Real Estate

Capital solutions for acquisition, refinancing and development of industrial properties. Strategic lending with a focus on value creation and long-term partnerships.

## Railcar Finance

Specialized financing for railcars across fleet types and use cases. Deep sector expertise and relationships that keep your business moving forward.

Deep expertise. Cross-border advantage. Built on experience. Focused on results.

execution

“As a global designer, manufacturer, and distributor, it was vital for us to find a lender with extensive experience in Mexico. NuCap was able to provide us with expeditious funding through a simple process”

– CFO, Nelson Global Products

Numancia Capital Partners is a specialty finance firm delivering creative, asset-backed lending solutions for equipment, industrial real estate and railcar assets.

*Real assets. Real relationships. Real results.*
