

BM Castings, SA de CV

Description

BM Castings is an IATF 16949 high pressure aluminum die casting company located in the city of Chihuahua, Mexico, focused on the automotive, commercial appliances, industrial applications and consumer electronics markets. We are part of the Baggioli Group of companies, founded in 1938 and headquartered in Lecco, Italy with a sister plant in the city of Suzhou, China (EDT, 2006). We design our dies and industrialization processes, which include machining, coatings, painting, assembly and cleanliness requirements.
