- ✓ Material certification: Sorting, inspection and repair
- ✓ Structured launch approach
- ✓ Engineering experienced services
- ✓ Competitive cost
- ✓ IMMEX certificate
- ✓ Insert molding and over molding
- ✓ Multi-Cavity Mold solutions
- ✓ Custom Mold design and development

Some of our valued clients

AUTOMOTIVE

MULTIPLE INDUSTRIES

Legal & Certifications

Quality System

- ✓ ISO 9001:2015
- ✓ IATF 16949:2016
- ✓ NSF

Commerce/Customs/Environmental

- ✓ IMMEX
- ✓ AA VAT
- ✓ LAU

Social Security/Labor

- ✓ REPSE
- ✓ ELSSA

Molding Equipment

18 presses

Ranging in size from **50 - 530 ton**

7 Negri Bossi machines

10 Haitian and Engel machines

14 Cartesian Robots (3 axis)

5 Maguire automatic color dispenser

Hot air & desiccant dryers

60 Ton Cooling tower w/pump equipment

- CMM Scanner 3D KEYENCE
- Optical comparator
- Humidity analyzer

Engineering Services

- **FULL APQP**, gate-style launch program management
- **RFQ** to **SOP** program management
- Established relationships with mold builders in **MEXICO, CANADA, JAPAN, KOREA** and **CHINA**
- Experience building error-proofing and assembly equipment to suit **CUSTOM APPLICATIONS**
- Through the experience and expertise of our staff we develop **CREATIVE SOLUTIONS** to complex molding challenges
