

RELIABLE SEMICONDUCTOR SOLUTIONS.

KEEPING YOUR WORLD MOVING.

Diotec is a global manufacturer of discrete semiconductor components with over 50 years of experience. We deliver high-quality, reliable products with short lead times and customized solutions to **keep your production moving.**

WHY PARTNER WITH DIOTEC?

- ✓ In-house production from front-end to back-end
- ✓ Global manufacturing footprint
Germany | Slovenia | India | China
- ✓ Short lead times & flexible supply chain
- ✓ Customized products & application support
- ✓ High quality standards: IATF 16949, ISO 9001, ISO 14001, ISO 45001, AS9100
- ✓ Long-term reliability & strong technical expertise

ABOUT DIOTEC

Founded in Germany, Diotec has been driving innovation and quality in discrete semiconductor solutions for more than five decades. Our products are designed for reliability, efficiency and long-term performance in a wide range of applications worldwide.
