Connecting Solutions

Mexico & Texas Territory

Mechanical

Die Cutting (Hydraulic, Rotary, Kiss-Cutting Full Beam) Lamination, RF Sealing & Embossing Various Materials, Thicknesses, Shapes

Vinyl Tapes: Automotive & Commercial Cloth / Fleece Tapes & Mastics

Solid Metal Connectors for Compressed Air, Vacuum, Gases & Liquid Vasicline, Inoxline, Multinline, Liquidline & Tubing

Connectors for Charge-Air systems, Cooling & Water Systems, and Hybrid Resonator for Charge-Air Cooling Systems

Silicone Hose-Extruded and Formed & Mandrel Wrapped, Reinforced & Non-Reinforced, Injection & Compression Rubber Molding, Profile, Window Channel & Other Extruded Products

Expansion Joints, Tubular Exhaust Components, Custom Hose Assys, Stainless Tube Fabrication

Protective Materials: Electrical Tapes, Conformal Coatings, Sealants, Encapsulants & Corrosion Protection Systems for Wire, Cable & Electronic Assemblies

Protective sleeving for automotive, electrical, mechanical, and thermal applications

Stamping, Electric Terminals, Lead Frames/Busbar, Insert Molded Assemblies, In Die Contact Welding
