

**BRINGING TOGETHER
A BROAD SPECTRUM
OF VALUE PROPOSITIONS**

ABOUT US

BORN OUT OF A 50 YEAR LEGACY

JSG Group started out as a small family business in 1967. In 2011 JSG Innotech was founded to consolidate these businesses; bringing together more than 40 years of business and organizational acumen. Since then the enterprise has grown many times and serves a very large portfolio of OEM Clients and a substantial pan-India consumer audience.

We take pride in having built our enterprise through diligence, integrity and a relentless pursuit of excellence.

We offer design, development and large scale manufacturing facilities to a variety of industries requiring Plastic Molded Components, Metal Components, Chrome Plating on Plastic, Sophisticated Printing and Electrical and Electronic assemblies.

With fully equipped and NABL Accredited testing and validation labs, covering 207 parameters from raw material procurement to finished product, we have everything you need under one roof.

01 INVESTING WHERE IT MATTERS

Over the last 20 years, JSG's Board of Executives have mastered the art of investing where it matters. Our investments are fully in sync with the needs of our customers of today and the future. As a result, JSG is a future ready enterprise with up-to-date technology and infrastructure as well as robust and agile teams capable of meeting even the unforeseen challenges.

02 A SEAMLESS ENTERPRISE

Our fully aligned teams of home grown and professional managers have over 250 years of combined experience. Using an ERP and a hands on approach, they keep a hawk's eye through the entire process of design, development and production. They ensure that we exceed our client's expectations and deliver par-excellence.

03 EASE OF DOING BUSINESS

One of JSG Enterprise's core strengths is reflected in its large client portfolio. This is accomplished by ensuring that our B2B Sales Processes are designed for swift response and hands-on decision making for short turnaround times - without stepping over the details that matter.

04 VALUE THAT LASTS

JSG has designed and developed their Business Model over the last 20 years to ensure that doing business with us generates lasting value. We accomplish this by always keeping mutual business viability and profitability in perspective and an attention to detail to generate high return on investment for all stakeholders.

LEADERSHIP THAT STANDS OUT

JSG Enterprise teams are built to not just deliver what we promise to our clients, but to relentlessly pursue excellence and deliver higher standards of performance every time.

Our enterprise has intentionally designed a culture of Leadership for the Future and our executives ensure that every member of JSG Enterprise is continually inspired and aided to provide leadership in delivering what we promise.

"We have been clear from the beginning that we exist to serve our Customers.

And so, being focused on taking care of our Customer's spoken as well as unspoken needs is what our enterprise is all about.

Now and Forever.

Founders

MANAGEMENT

JSG Enterprise operations are managed on simple principle of "deliver on time, deliver 100% and deliver the quality promised - or exceed it".

Using the latest and proven methods and cutting edge technological solutions like Aucos (GmbH), M-DART and a 250+ seat ERP for precise Production Control, Process Flow Control and Reproducible Processing Times along with agile team allows us to deliver what we promise fully - even in the face of unexpected rise in demand.

CAPACITY

With many decades of industry experience, and a team of over 2000, JSG is now the world's largest automobile accessories and components manufacturer.

Our success over the last two decades has allowed us to continually increase our capacity to serve ever larger demand.

We started out with a **17 Thousand SqFt** fabrication facility and are now a Design, Development and Manufacturing enterprise spread over more than **1 Million SqFt**.

REACH

JSG has sold over 250 million units and is the only company in Asia to offer more than 4000 SKUs; all designed, developed and produced under one roof.

We are a long term component producers for 30 OEMs in automobile, farm-equipment, home appliances and sanitaryware industry.

Our retail network for non-OEM products includes over 180 distributors and more than 27000 retailers across India. Our products are also available on the internet marketplace. In addition, we are now exporting our finished products to more than 10 countries worldwide.

CREDIBILITY

JSG Group are now exclusive pan-India distributors for 3M Car Care products, Meguiar's, Kent 'CamEye' and in select regions for Garware Paint Protection Films.

In addition to that, with our strength and large capacity to produce Automobile Accessories, we are now a License Holder for producing GoodYear products in India.

We are the only Indian company in our industry domain which has 7 product patents, 21 design patents and 1 process patents approved. We have secured 37 different awards since our inception.

//

Our experience with JSG has been very good. We find them innovative and full of enthusiasm, with a great passion for Car Accessories. They have tremendous amount of initiative & have always met deadlines and honored commitments."

- Rajiv Madhavan,
Head – Accessories, Tata Motors

//

A Technically strong and growing organization with commitment."

- R.S Kapoor, GM –Accessories,
Maruti Suzuki (India) Ltd.

//

Galio symbolizes Agility & Frugal Engineering. Our association has matured over the past years and I am sure the collaboration will go beyond the supplier relationship.

3M will bring the innovative part on the table to complement Galio's speed and flexibility."

Rajiv Gupta, Division Manager,
3M Industrial Adhesives & Tapes

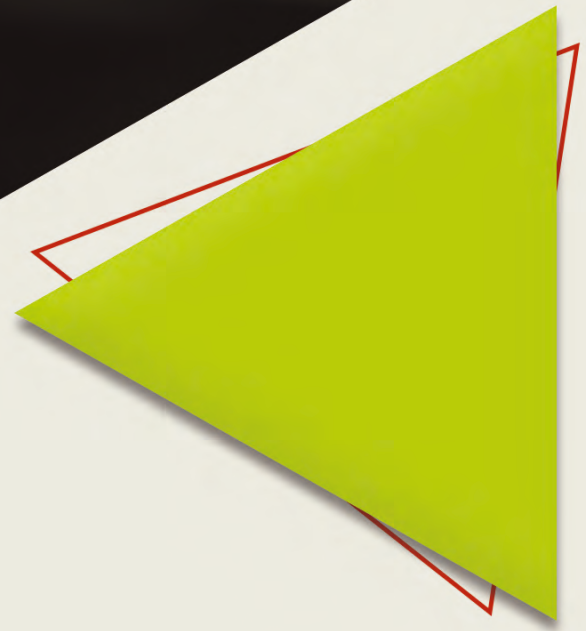

The best way to predict the future is to create it.

-Peter Drucker
