

Maquinados Especializados Rusave

More than 50 years providing manufacturing solutions.

Our History.

Maquinados Especializados Rusave, S.A. de C.V. was founded in 1964, started operations in July of the same year manufacturing machined parts for water filters and gasoline, as well as some pieces of costume jewelry.

Rusave has grown steadily to form a structure of 10 operating areas and 2 administrative departments, with a total of more than 280 members.

What do we do?

We are dedicated to developing specialized pieces for assembly that are used in **electrical products, bathroom furniture, water heaters, locks, air conditioners and taps in general.**

Since 2016 we are entering the design and manufacture of **molds** and **tooling** for hot forging.

Our Philosophy

Mission

We are a company that offers manufacturing solutions of Metalmechanical components for original equipment manufacturers, through our own technology and creative human talent, respecting and fulfilling the commitments with the environment and our associated clients, personnel, society suppliers and shareholders.

Vission

To be a world class company in the manufacturing solution of Metalmechanical components, fulfilling the expectations of our customers and continuously optimizing our processes.

Quality politics

Meet the requirements of our customers at the lowest cost, continuously improving our processes in a safe work environment.

Our Philosophy

Values

- **Honesty**

We tell the truth and act with rectitude and truthfulness.

- **Loyalty**

We achieve a bond of trust with our staff, shareholders, society and customers.

- **Respect**

We value every member of our team. Leadership is our base.

- **Responsibility**

We comply with our commitments in a timely manner.

- **Competitive Costs**

We are able to satisfy our clients by setting low prices at the same quality.

- **TeamWork**

We are part of the same family, we support each other and we achieve our goals.

- **Knowledge**

The experience and knowledge allow us to provide a quality service.

Location

Rusave is located in the State of Mexico, very close to the CDMX and 30 minutes from the airport.
