LOCATION & INFRASTRUCTURE

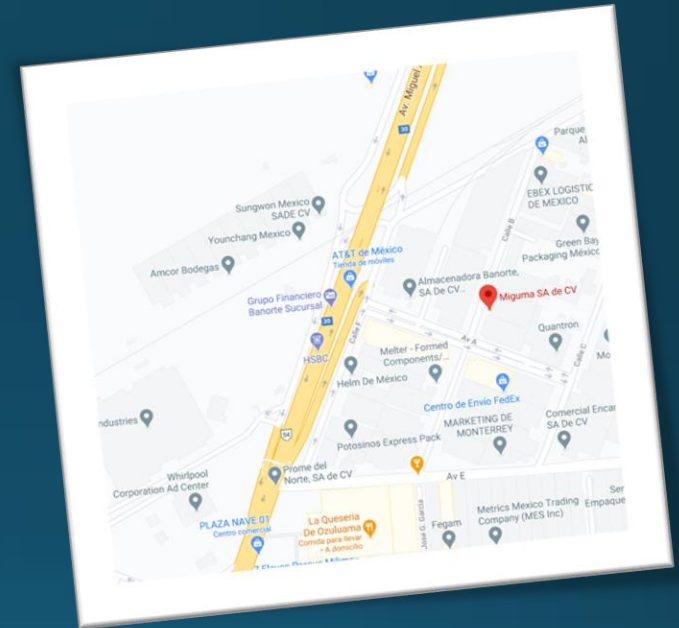

MIGUMA
S.A. DE C.V.

MIGUMA S.A DE C.V.

Located in Apodaca N.L near to the industrial area and of principals routes to most important cities of state.

deo-exterior-2

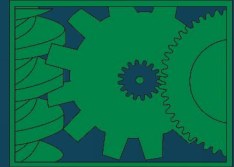

MIGUMA S.A DE C.V. Has:

Available area: 28,524 ft².

Operational Staff: 72 Technicians

Administrative Staff: 12 Employees

MACHINERY & EQUIPMENT

NiGMA
S.A. DE C.V.

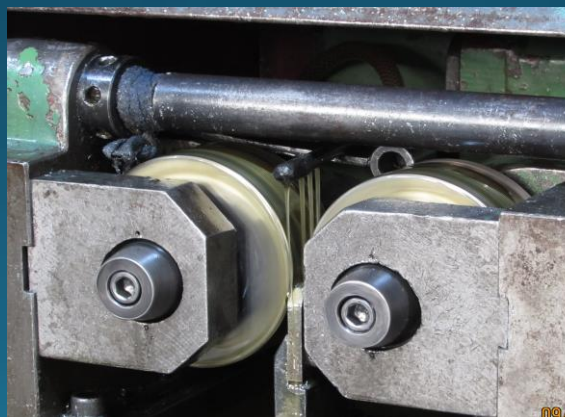

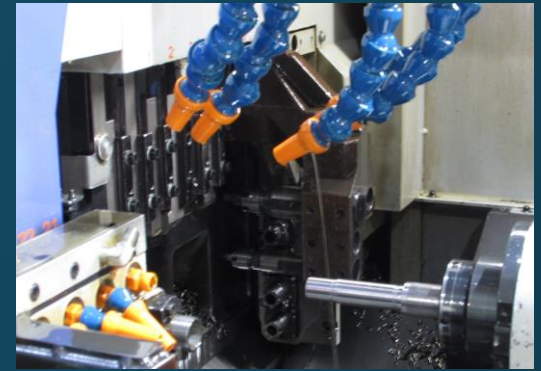

- 11 CNC Machines
- 4 STAR Machines
- 3 Machining Centers
- 6 Automatic Lathes
- 12 Grinding Machines

- 3 Broaching Machines
- 9 Milling Machine
- 1 Extruder
- 1 Rolling Machine

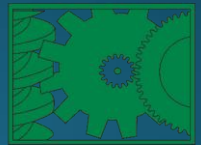

Our machining capacity in our equipment is 6 "in diameter
up to 12" long, in any type of material.

MAIN PROCESS

- Turning
- Machining
- Centerless Grinding
- Steel Bar Grinding
- Milling
- Exterior Broaching
- Rolling
- Others
