OUR SERVICES | CUTTING AND CNC MACHINING

Laser CNC with the ability to generate different artistic cuts, engineering, among others, in 22 gauge sheet up to ½ " plates. With a 4'x10' cutting area.

- CNC punching with a capacity of 20 TONS for punching and flat bed cutting for an area of 4'x 8'.

OUR SERVICES | CUTTING AND CNC MACHINING

INTEGRAL SOLUTIONS IN INDUSTRIAL MANUFACTURING

- CNC plasma for cutting steel up to 3/4" thick. Flat bed for 4X10 area.
- CNC router for engravings in different materials such as: acrylic, polyethylene, MDF, wood, melamine, soft aluminum, copper, brass, among others. Flat bed for 4'x 8' area.

DISPPLE INDUSTRIAL SOLUTIONS

dispple.com · (472) 723 8350 Ext. 145

OUR SERVICES | CUTTING AND CNC MACHINING

- Machining center (5-axis CNC lathe) with the ability to machine: turning, facing, boring, threading, grooving, drilling, knurling, conical turning, parting off, flattening, among others. With 3" diameter material clamp.
