

METALMOD
M E X I C O

PRESENTATION 2023

Metalmod is a Mexican company. Start operations in 1984 by Mr. Agustin Martínez Sr. We are located in Lerma Mex.

Dedicated to precision machined parts. Specialized on small components made of stainless steel, carbon steel, brass, cooper, aluminum, inconel and plastics.

Machined sizes goes
from: Ø6 up to Ø100 mm
Lengths from 6 to 750 mm

Markets:

Automotive	54.17 %
Industrial	20.62 %
Electrical	23.91 %
Medical	1.30 %

Revenue

Direct / Indirect Exp. (66.74%) to US, Canada
Sales 15.3 million usd 2022
17.5 2023 (e)
DUNS 813 517 166

Facilities area: 7,000 m2
ERP EPICOR
Employees age rate: 32 years
Quality systems: IATF16949 & ISO 14000

Production Area 4,800 m2
Employees 300
Employees age rate: 3 years
CAD: Solid works
CMM software Calypso 5.6

Value added: assemblies, plastic over molding, outsourcing plating, outsourcing heat treatment

Nipple

Orifice

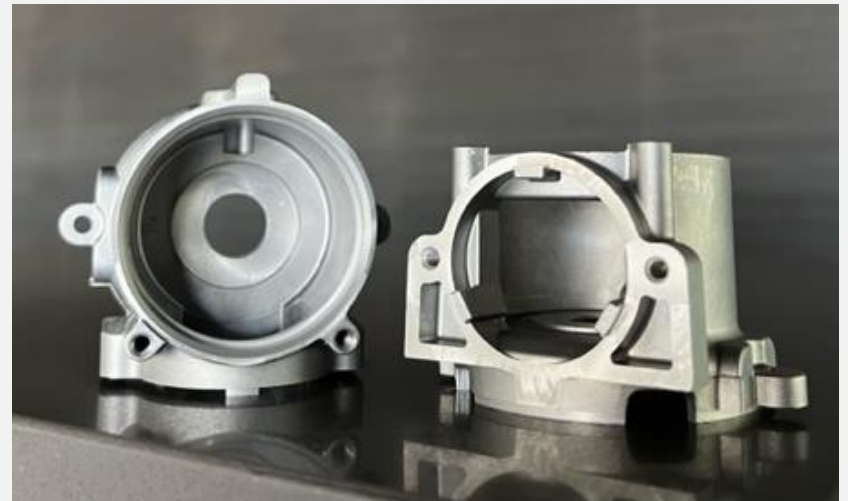

Canula

Cilynder

Conectig rod

Crankcase

Guide tubes for gasoline pumps

Guide rods for gasoline pumps

Tandem tubes

Dowel pin

Guide tubes for gasoline pumps

Spring Retainer

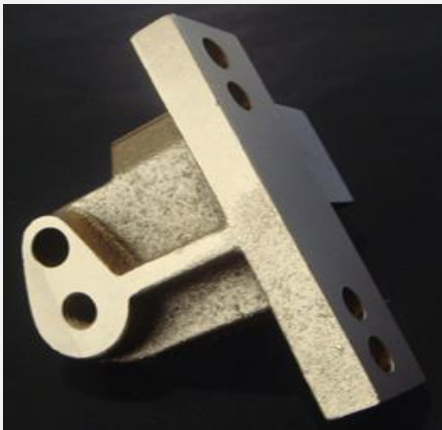

Bodies, pistons & valves
made of brass

Retainer

Convertible systems

Actuators

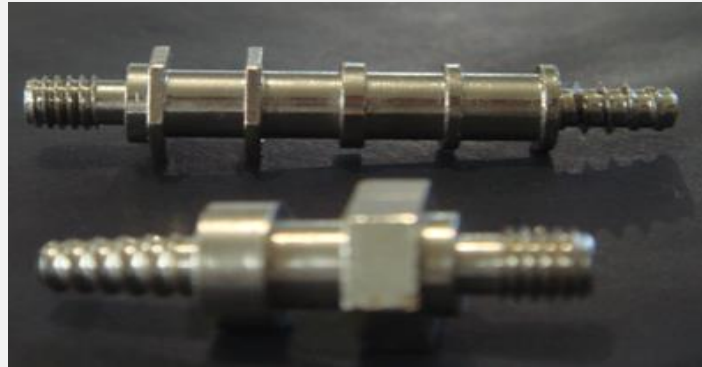

Screw machine parts

Swiss turning

Manufacturing area

85 CNC Machines
70 Conventional Machines

21 swiss turning machines Tsugami, Citizen, Polygim & Tornos, Ø20&32mm, live tools, from 5 to 9 axes

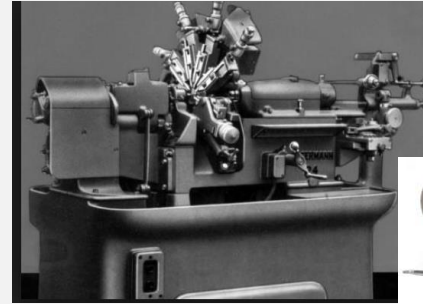

46 CNC Turning center form 3 axes
to 5, HAAS SL/ST 10 /20Y,
TSUGAMI M06, M08Y, Hyundai
HD22MC & SE2200A, GANESH,
AKEBONO

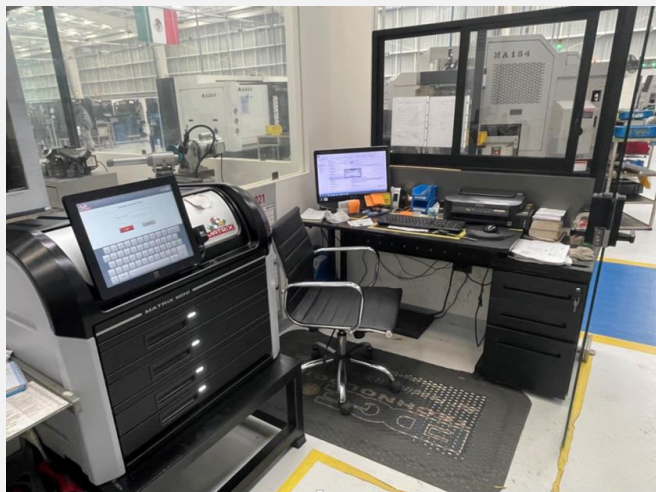

3 Centerless grinder

12 Milling center Superminimill Haas 3&4 axes
DT1 & Icut 400TD rotary pallet

24 Automatic screw
machine (cam) &
Swiss

Washing capabilities

Ultrasonic cleaning system,
Full washing system Ransohoff and
simple ultrasonic Terratech system

Residual analysis in house. We can measure size,
quantity, weight and type of residual after cleaning
our parts when the customer requires it

CMM Contura **G2 Direkt** Carl Zeiss

Microscope for Residual particle analysis

Digital micrometers, calipers, master gages

Optical inspection + CMM
Carl Zeiss O-inspect 322

Thread, ring, pin, high, gages

Profile projector Mitutoyo

Oasis Optical inspection on line 35 x 35 mm

Hardness tester Mitutoyo

Roughness tester Mitutoyo
