

Corporación Telch S.A. de C.V. is a Mexican plastic resins distributor, importer and exporter with more than 34 years of experience in the market.

We represent the most prestigious companies worldwide, offering a wide range of alternatives to satisfy specific needs and also technical advice in order to solve any product's problem or process you might encounter

Telch is a dynamic company, adapted to the pace of the industry. We give an outstanding customer service and a continuous stock.

We are your best choice because we are always in close contact with our customers meeting their needs. Telch has sales executives in Guadalajara, Monterrey, León, Mexico City, Puebla, Chihuahua and Querétaro. We own 5 warehouses: Vallejo Industrial Park Mexico City, Guadalajara, Puebla, Monterrey, and Queretaro, and more than 14 Telch distribution centers throughout Mexico.

Over the years we have built a broad portfolio of products ranging from commodities to engineering and specialty resins, such as:

- Plastic resins: HDPE, LDPE, LLDPE, HMW, PP, PVC (Compounds), SBC, EVA, GPPS, HIPS, ABS, ABS+PC, ABS "all colors", SAN, PPS, POM, PC, PC/ABS, PA 6, PA 66, PA11, PA12, PA Compounds and PMMA.
- Masterbatch and pigments.
- Additives, reinforcing fillers, purges.
- Thermoplastics Rubbers as TPE, TPO, TPU, TPV, TPR, SEBS and SBS.
- Functional polymers such as EBA, EMA, PE-SMAH, PBE, etc.
