Our solutions and innovative tools

1 – PREPARATION

- Application intuitive
- Création de checklists rapide

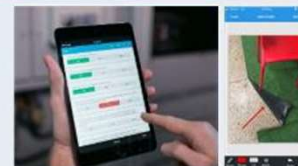

2 – REALISATION

- Accessible sur tablette, smartphone et PC
- Edition immédiate des commentaires
- Edition et envoi des actions (email) immédiat

3 – ENREGISTREMENT

- Collecte des données
- Ajout d'images, commentaires et signatures

4 – SUIVI

- Production automatique des rapports
- Suivi des indicateurs et des tendances
