**Program Management System** 

Mold Building Services – Low Cost Asian & US Domestic Builds Designs to Plastics Industry Association Standards

Tooling – Full Range from Prototype to Class 101 Mass Production PDM Direct employees in Asia for Engineering & Logistics

22 Modern, Well-Maintained Injection Molding Machines
50 ton – 1400 ton Press Range
2 Shot Molding, Insert Molding, & Overmold Capabilities
Secondary Operations - Decoration, Welding, Assembly, Packaging

#### **PDM - Quality**

ISO 9001 Certified (Audits = Zero Non-Conformities)

**Established Quality System** 

IQMS – ERP System

#### **Satisfied Customers**
