## HOW WE DO IT AUTOMOTIVE

Dedicated on-demand global team, staffed 24/7

Respond to requests within 30 minutes or less

Extraordinarily creative with routing and pricing

Unique solutions offered (hybrid services)

Line down is not an option

HOW WE DO IT

# AEROSPACE

Aircraft on ground (AOG) expert

Have the sense of urgency that the aerospace industry demands

Specialize in mission critical and time definite

Experienced aviation logistics specialist to help transport your aircraft parts

# Operational Structure

Within our On Demand group, we have dedicated teams in various areas of expertise to ensure that your business is managed with utmost care and efficiency. Our main goal is to provide any customer with comprehensive and focused support tailored to their logistic needs.

1

## ACCOUNT MANAGEMENT

- Understanding your specific needs
- Providing personalized support

2

## PRICING

- Provides competitive and transparent prices for our services

3

## IMPORTS

- Ensuring smooth customs clearance and compliance

4

## AIRLINES RELATIONS

- 100% dedicated on developing relationships directly with the airlines.

5

## OPERATIONS

- Manages D2D operations, ensuring OTD.
- Resolving any issue that may arise.

# QUALITY & ASSURANCE

**PARTNER AUDITING**

**24/7 AIRLINE RELATIONS  
TEAM**

**QUALITY ASSURANCE  
TEAMS**

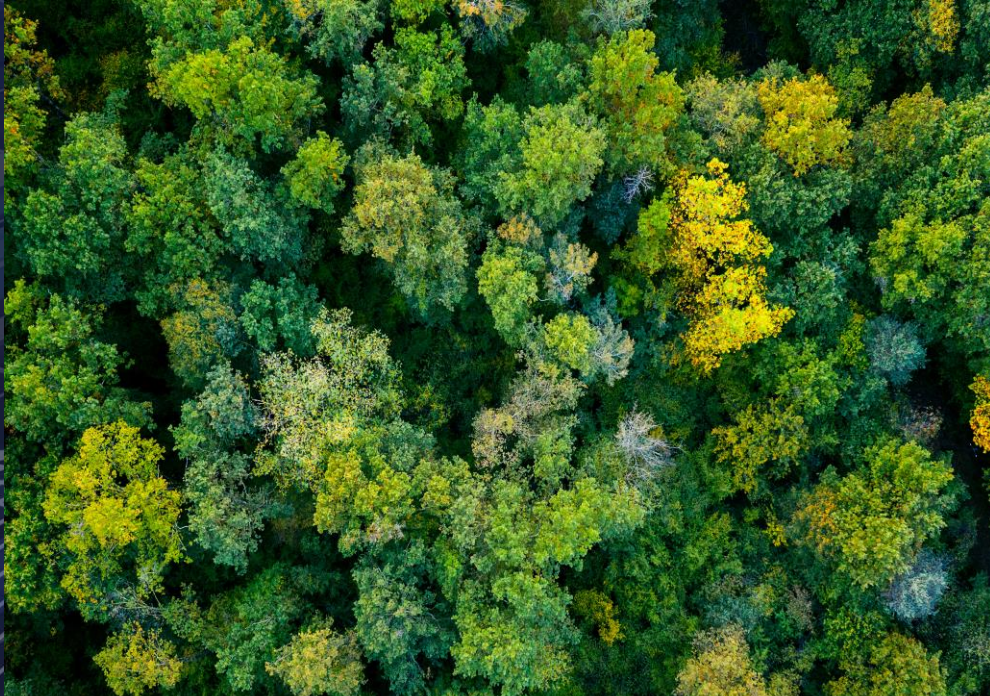

**POSTMORTEM & CORRECTIVE  
ACTIONS PROCEDURES**

# WHO WE WORK WITH AIRLINE PARTNERS

## CNW partnership with Evergreen

Total trees planted  
on Evergreen  
**20,013**

Tons of CO2 being  
absorbed  
**3,009.18**

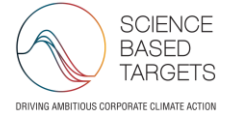

Working Hours  
created  
**2,502**

Countries made  
greener  
**7**

## HOW WE DO IT SUSTAINABILITY

Less CO2 Emission - CNW uses direct flights instead of routing through sorting facility

CO2 Assessment - CNW provides CO2 emission data per shipment so that customers can make informed decisions

We use CO2e in all of our reports

We provide our partners incentives to use electric vehicles

Clariter's innovative initiatives help provide customers with solutions that reduce the consumption of fossil-based products

**CNW DELIVER...**  
**NO MATTER WHAT**
