

**Committed to providing an environment
of safety and professionalism.**

Maverick Express Carriers began operations in 2014, with the aim of building a family business. It started with 3 trucks and 7 dry boxes.

In the year 2023, new challenges and great opportunities have emerged for our business, and it has shown great growth thanks to our competitive prices and deliveries with a high level of responsibility.

Today we operate with 150 trucks and 360 boxes. We continue day by day applying continuous improvement processes in the transport system and updating ourselves, to achieve our only objective: **satisfy the level of quality that our customers request.**

Vision

In the medium term, achieve, through our staff, the most recent fleet on the market, with our high-tech geolocation systems and knowing that after-sales service is part of the success of our company, to be the transportation company in the US and in MEXICO with the highest coverage in land transportation.

Values

- 
- Responsibility in delivery
 - Total commitment to our clients
 - Discipline
 - Teamwork
 - Sustainable growth
