SEA LOGISTICS

## FCL / LCL / Optima / Buyers Consol

Because speed is the key to success when transporting goods, FCL Spot makes booking smarter and faster.

**You are just a few clicks away from your next quote.**

**Your cargo doesn't fill a whole container?**  
→ With LCL Optima, we offer you an efficient solution

### Clear and simple

FCL Spot offers a transparent fixed price for every shipment. Get your quotes quickly and start booking right away.

### Backed with expertise

Once your shipment is booked, take advantage of live vessel information and data-driven insights. When you need dedicated expertise, our worldwide teams are ready to provide support, no matter where you ship.

Take the complexity out of container shipping with FCL Spot. Waiting days for your quotes is a thing of the past.

### Sustainable transportation

Achieve your sustainability targets! You can opt for emission-free transport by choosing biofuel or compensation via nature-based projects directly with the booking.

### How does FCL spot work?

Register on myKN, enter your shipment details and immediately receive a binding price. Save the quote or book directly.
