

INDUSTRIAS CAZEL 2025

Quality products for quality people

36,000 M2

EN AREAS PRODUCTIVAS

Highly committed and
professional workforce.
Around 800 employees

ABOUT US

- 100 % Mexican Company
- 60 + years in the business
- Largest Mexican Plastic Injection Company
- Experts in Plastic Injection Manufacturing and Assembly
- In-house molding design
- Strong and Dedicated leadership
- Diversified Client Base
- Highly Flexible and Lean Organization
- Quick Decision Makers
- Solely Focused on Client Satisfaction
- Fully Certified IATF-ISO14001

CERTIFICATIONS

Certificate

Standard: **IATF 16949:2016**
(1st edition, 2016-10-01)

Certificate Registr. No.: **01 111 2130160**
IATF Certificate No.: **0519089**

Certificate Holder: **Industrias Cazel S. de R.L. de C.V.**
Vía José López Portillo No. 8 Int. B
54940 Tultitlán Estado de México
México

IATF USE: **CEEPES**

Scope: **Manufacturing of plastic injection molded parts and components assembly**
Excluding Product Design

Proof has been furnished by means of an audit that the requirements of IATF 16949:2016 are met.

Validity: **The certificate is valid from 2024-05-18 until 2027-05-17.**

Release date: **2024-05-18**

2-ISO-QMC 01003

www.tuv.com

Certificado

Standard: **ISO 14001:2015**

No. Registro Certificado: **74 800 2177**

Título del Certificado: **TÜV Rheinland de México, S.A. de C.V. certifica que:**
Industrias Cazel S. de R.L. de C.V.
Vía José López Portillo No. 8-B, Corredor López Portillo,
54959, Tultitlán, Estado de México, México.

Alcance: **Ha establecido y aplica un Sistema de Gestión Ambiental para:**
Fabricación de piezas moldeadas por inyección de plástico y ensamblaje de componentes.

Mediante auditoría realizada con Reporte No. 2177
Probando que los requerimientos de la norma:
NMX-SAA-14001-IMNC-2015
ISO 14001:2015
están cubiertos.

Validez: **El certificado es válido de 09-06-2024 hasta 11-06-2027.**

Scanner

DESIGN & ENGINEERING

Pre-Design & RFQ DATA Status

- We develop, modify and design plastic parts and assembly for the automotive sector as well as other industrial applications.
- Our results are well thought out and denote best practices.

3D CUSTOMER RELEASE, FEASIBILITY & DATA STATUS + 2D APPLICATION

- Depending on the task, our developers may collaborate in part or take over completely.
- We match or exceed specifications when designing plastic parts and complete products (e.g. weight reduction, optical or technical upgrading). Mold flow, Mold cool & Mold wrap

RELEASE NOTE – SUPPLIER

We pride ourselves on delivering fully manufacturable designs, optimized for injection molding.

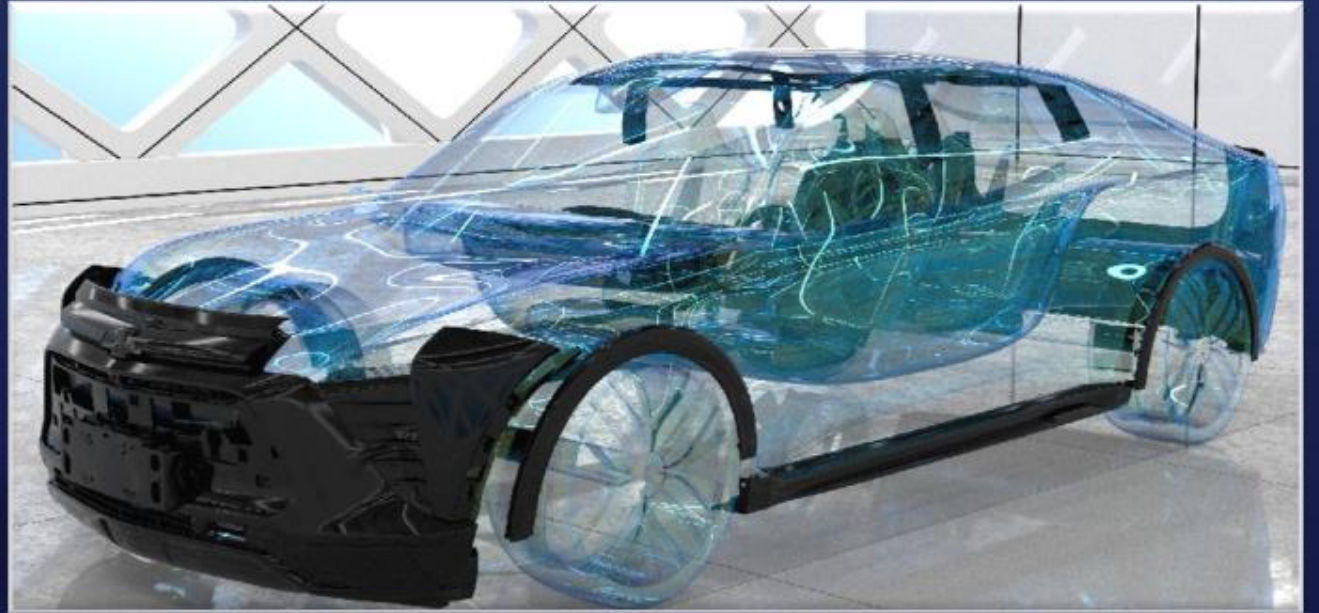

PROJECT MANAGEMENT

Our Process

OUR PRODUCTS

We have a diversified level of products to maintain a high level of competency and highly skilled labor force.
