

Rent or Lease

McKinney offers flexible rental or lease plans to meet your seasonal or long-term needs with customized options to fit any term or budget.

Buy or Lease Purchase

Grow your fleet with McKinney by choosing from flexible ownership options—either through our lease purchase program or by investing in affordable Certified Pre-Owned equipment.

Sell

Whether you are looking to sell a single trailer or an entire fleet, McKinney has an experienced purchasing team ready to evaluate your fleet and negotiate a fair price for your equipment.

Maintain

McKinney's full-service maintenance options give you the benefit of lower costs and reduced risk while ensuring you have well maintained trailers when you need them most.

Park

If you are looking to maximize yard capacity or need a dedicated place to park your trailer, McKinney has numerous secure trailer drop yards across the US.

Superior Equipment Since 1988

With a fleet of over 40,000 units, Mckinney can provide GPS Tracking, SmartWay certified trailers and CARB compliant reefers throughout the nation. You select and pay for only the equipment type and specification you need.

Innovative Solutions Provider

Mckinney leverages our own in-house technology such as the **MyMckinney** Customer Portal to ensure you have easy access to the information you need when you need it. This includes trailer registrations, downloadable equipment listings, work orders, invoices, and access to trailer tracking. Mckinney offers automatic email notifications for account activity, service alerts, and a wide range of billing and reporting options.

Industry Leading Maintenance Programs

Mckinney customers have access to our full-service maintenance shops located at all branch locations. Mckinney certified trailer technicians provide preventive maintenance, repair, and break down services. On site mobile repair service is available in most locations. Emergency road service is always available 24 hours a day, 7 days a week.

Many Enhanced Services Available

Collision damage waiver (CDW), equipment delivery, pick-up and transportation services, trailer parking and loaded trailer storage can be provided upon request. Mckinney also has a dedicated Sales Support team available to respond quickly to customers' needs. Contact us at **SalesSupport@MckinneyTrailers.com**
