

Dispositivos Mecánicos R.B.S.A.

COMPANY OVERVIEW

MISSION

We are a company dedicated to the design and manufacture of displays, stamped parts and dies that meet our customers needs at competitive prices and assuring a high-quality performance.

VISION

Consolidate as a leading company in manufacture, providing innovative and integrated solutions that are at the forefront of the market. .

OUR TEAM

The most valuable part of our Company is the People.

Our team is made up of highly trained operators, industrial design technicians and engineers with great experience.

We join efforts to ensure clients satisfaction.

OUR SERVICES

Powder Painting

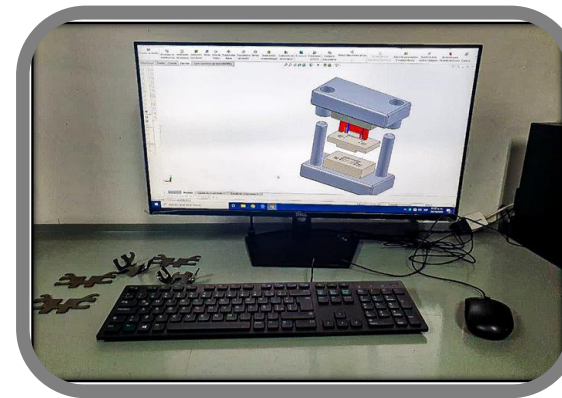

Metal Stamping

Laser

Displays

Industrial design
projects

MIG Welding, y
resistance TIG

Metal Stamping

We own tool shop to design, develop and maintain dies
(Tenemos nuestro propio taller de trabajo donde podemos diseñar, fabricar y mantener troqueles.)

- Sheet metal cutting
- Wired forming
- Bending
- Metal stamping
-

VIDEO

FOTOS LLAMATIVAS

LASER

- Sheet metal design
- Pipe/Tube cutting design
- Flexibility in production quantity

Capacity and Materials:

Carbon Steel .010", 1 ½ inches (.254mm)

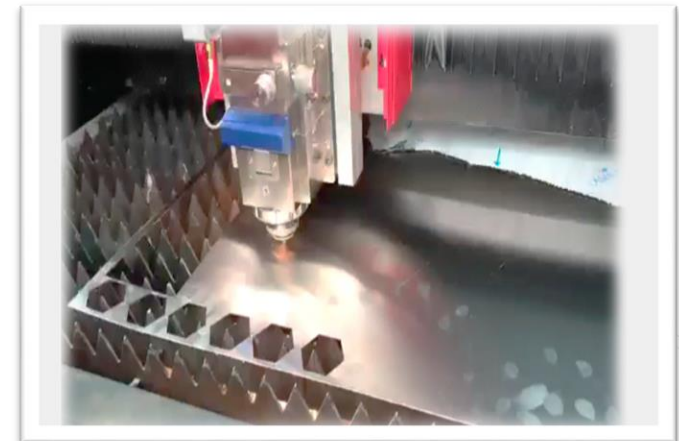

Table size 4.9' x 10' (3.050mm x 1.500 mm)

Stainless .010", (.254mm), ¾ (19mm)

Aluminum .010", 1 ½ inches (.254mm), ½ (12mm)

Pipe ½ 8"

Thickness .010", 1 ½ inches (.254mm) 6 mm

Any design can be performed with High technology and quality

Powder Painting

Top quality finishes

- Batch Process
 - Batch oven for oversizes products (Height 10' x length 10' x Deep 23')
- Continue Process (4' x 2.6')
- Any Brand of Paint
 - Brands Tiger, Axalta, PPG, Alestra, Axanobel, WWEG
- Special Colors, any colors
- No minimum quantities

Displays

- Integrated service
- Render
- Graphic design
- Industrial and Structural design
- Content creation
- POP Material

Industrial design projects

3 D Modeling

Design and support in the New Products development

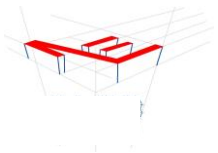

- Engineering in tooling development.

- Product reengineering with optimizing waste and high productivity stations

MIG WELDING & RESISTANCE TIG

- High technology (Robot)
- Standardized process
- Precised Welding
- All type of metals
