Company Overview

AGOL Worldwide is a direct global logistics provider

specializing in Time-Critical Freight and Compliance-Driven Global Trade Services. We serve clients in Automotive, Aerospace, Telecom, and IT sectors with 24/7 operational support, certified handling, and full control of end-to-end delivery. We operate across 80+ countries without subcontractors, reducing delays and costs with unmatched speed and visibility.

Key Strengths

Core Capabilities

Time-Critical Logistics

Fast, reliable solutions for urgent shipping needs like AOG (Aircraft on Ground), Line-Down situations, and Emergency Freight.

24/7 Operations & Real-Time Tracking

Round-the-clock operations with continuous visibility of shipments through real-time tracking.

Importer of Record

Manages the legal responsibilities for importing goods, ensuring compliance with local regulations.

Certified Freight Handling

IATA, TSA, NVOCC, CTPAT, FF: Expertise in handling freight with industry certifications for safety, security, and efficiency.

Global Trade Compliance & Customs Management

Ensures shipments meet international trade laws and customs requirements to avoid delays.

Verified Expertise

Case Study

Time-Critical Logistics – Automotive & Aerospace

Client:

Tier 1 automotive OEM &
MRO aerospace supplier.

Challenge:

Repeated production
downtime due to **customs
delays** and lack of 24/7
broker **support**.

Solution:

Deployed direct logistics
model with **24/7 ops** and
global agent control.

Results:

- 48% reduction in plant downtime
- 24–72 hour global deliveries
- 30% annual savings on urgent freight

Case Study

Global Trade Services – Telecom & IT

Client:

International telecom & data center services provider.

Challenge:

Restricted market access and **lack of IOR support** in LATAM, Africa, Southeast Asia.

Solution:

IOR handling, customs clearance, and certified last-mile delivery in **45+ countries**.

Results:

- 100% customs clearance success
- Zero penalties or seizures
- Full audit-compliant documentation
